 22 conditions upon a certified acupuncturist, imposing an administrative fine,
 23 issuing a written reprimand, or any combination of these actions regarding any
 24 certified acupuncturist under the provisions of Sections 1 to 16 of this Act, shall

3 or final orders issued pursuant to KRS 13B.125(3), all final orders of the board
4 affecting an acupuncturist's certificate shall become effective thirty (30) days
5 after notice is given to the certificate holder unless otherwise agreed; however,
6 the board's panels may provide that a final order be effective immediately when,
7 in the panel's opinion, based upon sufficient reasonable cause, the health,
8 welfare, and safety of patients or the general public would be endangered by
9 delay.

10 (4) Any acupuncturist who is aggrieved by a final order of the board denying an
11 initial or renewal application for certification or rendering disciplinary action
12 against a certificate holder may seek judicial review of the order by filing a
13 petition with the Circuit Court of the county in which the board's offices are
14 located in accordance with KRS Chapter 13B. Decisions of the board's panels
15 relating to petitions for reinstatement of revoked certificates are not final orders
16 for purposes of this statute, and are not subject to judicial review.

17 (5) The court shall not award injunctive relief against the board without providing
18 the board with the reasonable opportunity to be heard.

19 (6) An acupuncturist whose certificate has been revoked may, after five (5) years
20 from the effective date of the revocation order, petition the board to reissue the
21 certificate to again practice acupuncture in the Commonwealth of Kentucky.

22 (7) The board shall not be required to issue a new certificate, and a decision of the
23 board not to reissue a certificate shall not be subject to judicial review. A

26 presently of good moral character and qualified both physically and mentally to
27 resume the practice of medicine without undue risk or danger to patients or the

1 public.

2 (8) In the event the board reissues a revoked certificate under the circumstances as
 3 described in this section, the reissued certificate shall be under probation for a
 4 period of not less than two (2) years nor more than five (5) years, with conditions
 5 fixed by the board, including a condition that any violation of the remaining
 6 conditions of probation shall result in automatic revocation of the certificate.

7 SECTION 16. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO
 8 READ AS FOLLOWS:

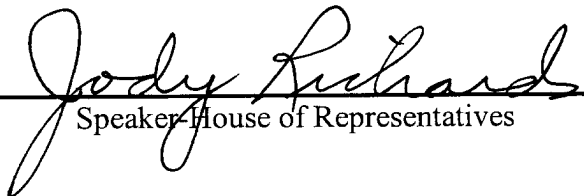

9 (1) At any time when an inquiry panel established under KRS 311.591 has probable
 10 cause to believe that an acupuncturist has violated the terms of an agreed order
 11 as defined in KRS 311.550(19), or violated the terms of a disciplinary order, or
 12 that an acupuncturist's practice constitutes a danger to the health, welfare, or
 13 safety of patients or the general public, the inquiry panel may issue an emergency
 14 order in accordance with KRS 13B.125 suspending, limiting or restricting the
 15 acupuncturist's certificate.

16 (2) For the purposes of a hearing conducted under KRS 311.592 on an emergency
 17 order issued under this section, the findings of fact in the emergency order shall
 18 constitute a rebuttable presumption of substantial evidence of a violation of law
 19 that constitutes immediate danger to the health, welfare, or safety of patients or
 20 the general public. For the purposes of this hearing only, hearsay shall be
 21 admissible and may serve as a basis of the board's findings.

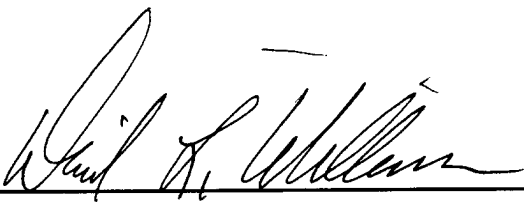

22 (3) An emergency order as described in subsection (1) of this section shall not be
 23 issued unless grounds exist for the issuance of a complaint. The inquiry panel
 24 shall issue a complaint prior to the date of the emergency hearing or the
 25 emergency order shall become void.

26 (4) An emergency order suspending, limiting or restricting a certificate shall not be
 27 maintained after a final order as defined in KRS 311.550(20) is served on the

1 charged acupuncturist pursuant to the proceeding on the complaint. An appeal of
2 an emergency order shall not prejudice the board from proceeding with the
3 complaint.
